A Nursery Rhyme for All Ages

Interactive Play :

This nursery rhyme requires counting with your fingers (both hands) and a bit of theatrics on the side. As you count out the rhyme 1, 2, you raise your fingers. The next line is Buckle your shoe! And you pretend to do the same. 3, 4, Shut the door. (clapping your hands to create the slamming door). 5, 6, pick up sticks. (pretend to pick up sticks) 7,8, lay them straight. (pretend to lay them straight) 9,10 you're a Big Fat Hen ... of course, you have to cackle and buck-buck-buck and flap your wings. The game never ends and is played again and again.
